## SUMMARY

Web Developer with nearly a decade of management experience in the hospitality industry and an ever growing interest to learn new technologies. A problem solver comfortable working in fast paced environments, dedicated to accomplishing goals and completing projects in the most detailed and efficient manner possible.

## TECHNICAL SKILLS

**Languages:** HTML5, CSS3, Javascript, SQL, Bilingual(Portuguese/English)
**Tools:** JQuery, Bootstrap, Tailwind CSS, Node.js, Express, Api's

## PROJECTS

**AstroMusic**
Github:**https://github.com/Astro-Div/Astro-Music**
Project:**https://astro-div.github.io/Astro-Music**
- *Users connect to their daily horoscope and discover some new music based on their astrological sign. Carefully curating playlists based on the user's daily fortune.*
- *Project manager, responsible for organizing meetings and work sessions. Assisted in all code build out throughout the projects build.*
- *HTML, CSS, Javascript, JQuery, Rapid API, Day.js and Tailwind CSS*

**Study Timer**
GitHub:**https://github.com/Zcordeiro/Study-Timer**
Project:**https://pure-reef-70690.herokuapp.com**
- *This is a pomodoro style timer made to help the user focus while studying and working. Users can adjust the times to better suit their needs.*
- *Built this project from scratch. I wanted a project I would be able to use on a daily basis and be able to build on as I learned more technologies.*
- *HTML, CSS, Javascript, Tailwind CSS, Node.js, Express*

**Employee Tracker**
GitHub:**https://github.com/Zcordeiro/Employee-Tracker/**

- *This backend app can help a business owner view and manage the departments, roles, and employees in a company so they can better plan their business.*
- *Built this project to better understand database storage and manipulation from the backend side of development.*
- *Javascript, Node.js, Express, SQL*

**General Manager**          2014 – 2022
**Coppertail Brewing**                                                    Tampa, FL

*Oversaw the expansion and completion of a 5,500 square foot tasting room across two levels was effectively executed. Proficiently managed and supervised a team of seven managers and over 60 personnel, guaranteeing the smooth operation of the facility and ensuring consistently favorable outcomes. The scope of responsibilities encompassed the meticulous planning and successful execution of large-scale events through collaboration with various departments and external vendors, along with the implementation of effective communication strategies to foster growth, training and leadership development among team members.*

**Bartender**          2012 – 2014
**Cigar City Brewing**

Tampa, FL

*As a former hospitality professional, I was responsible for maintaining a pristine and organized environment for guests to enjoy, contributing to an exceptional guest experience with superior customer service. Resulting in a consistent stream of repeat clientele for the brewery tasting room. Relying on my attention to detail, and problem-solving aptitude customers*
